Larry – thank you for the instructions below. We are finalizing the file transfer now. Attached for your information are several reports that detail in particular the patent and trademark files we have been handling for you. As you can see there are no pending office actions that require attention at this time. The only impending due date that will need attention by you is the statement of use for the AESTIS trademark which I sent you a reminder about last week.

We will be filing requests to withdraw as counsel with the USPTO and will indicate the contact information you supplied below as the new correspondence address.

If there are any questions in the meantime, please let me know.

Best regards,

Craig

Subject: Disengagement of Colorado Altitude Training

Dear Larry,

As we have previously discussed, payment of our fees by Colorado Altitude Training is now seriously in arrears. Specifically, as of today, we are owed \$2,580.75 for billed and unbilled fees and costs. In light of these circumstances, we have reached the regrettable conclusion that we must move toward terminating our engagement with Colorado Altitude Training.

Accordingly, we will no longer be rendering legal services to Colorado Altitude Training and will have no further attorney-

client relationship. We will continue to monitor and inform you of upcoming due dates and other action items, but will not take any action on your behalf.

Please call me at your earliest convenience to discuss a transition plan for the files we are handling for you. If I don't hear from you by May 12, 2009 we will begin the process and transfer all files directly to you and the company for further handling.

We have enjoyed working with you and the company and regret this decision.

If you have any questions, or need additional information, please do not hesitate to give me a call.

Best regards,

Craig
